Birger Hjørland, MA in psychology and PhD in Library and Information Science. Professor in Knowledge Organization (KO) at the Royal School of Library and Information Science (RSLIS) in Copenhagen since 2001. Professor in KO at the University College in Borås, Sweden 2000-2001. Research librarian and coordinator of computer based information services at the Royal Library in Copenhagen 1978-1990. Taught Information Science at the Department of Mathematical and Applied Linguistics at the University of Copenhagen 1983-1986. 1974-1978 associate professor at RSLIS, and 1990-2000 head of department. I have published several papers on Information Science and Knowledge Organization, including the monograph *Information Seeking and Subject Representation: An Activity-Theoretical Approach to Information Science* (1997). I am currently member of the editorial boards of *Journal of the American Society for Information Science and Technology* and *Journal of Documentation*. I am also Chair of ISKO's Scientific Advisory Council and consulting editor of *Knowledge Organization*.
